NEW BUSINESS

1. Kelly Mollaun

Speedway Lease

Mayor Mollaun stated that this had been discussed at the Board of Works meeting, but believes that the Parks Board should have an opportunity to continue discussing this.

Member Mel Davis said that he is happy with RPM and believes that the Speedway is in good hands with them. He added that it is safe and clean. Aaron Cook said that he can see both Mr. Seymour's and Mr. Davis' point of view, but believes that by advertising, this will appease the public in that the contract is given out fair. Mr. Davis said that if that is done then Council should be able to advertise specific criteria and years of experience for responders.

Dave Rudisell from RPM approached Council to ask questions and discuss the need for a commitment in regards to signing big event contracts.

In light of this situation, the Parks Board agreed that some time should be given to RPM.

Motion to approve lease, retroactive to January 2016 and through 2017 season only. The Board will begin advertising soon for the 2018 season contract.
